

C.O.I.N. Hunters N.E.

Collectors of International Numismatics

Thank You for your interest in becoming a New Members to Collectors Of International Numismatics (C.O.I.N.) Hunters of New England. Our mission is to find, identify, and catalog ALIEN coins in circulation in these United States of America.

As C.O.I.N. Hunters, you each will search, find, and identify two Alien coins. These coins were recently removed from the US economy. To earn membership into C.O.I.N. Hunters, N.E., you must follow and complete the following:

- Translate the message attached to this form.
- Identify the country the coin is from;
- Put the coin into a 2x2 and write the country, KM #, foreign and U.S value, & date on the 2x2;
- Translate the coin (if not in English);
- DRAW (no printouts) the country the coin is from and Identify the City where the coin was minted; include a compass rose and other important cities and landmarks;
- Estimate the miles the coin travelled to get to your location
- Write a hand written story about how you think the coin made the journey to U.S.A. (Be creative, it is a story!)
- Compare and contrast the Alien coin to the closest resembling U.S.A coin. Make a list of similarities and differences.
- Write a hand written paragraph (or two) on why you think the Alien coin could be assimilated into circulation and be mistaken for a U.S.A. coin. Include why you would think the Alien coin would be captured. Be descriptive.

You have until September 11, 2015 to accomplish your basic training to become full members of C.O.I.N. Hunters, N.E. If you have any questions, please contact, Mark "The IC Guy" Matys at (413) 436-5913 or email gluemark@gmail.com.
