## **Welcome Secret Agent Man (SAM) in Training (iT) 2024,**

**The United States money supply has been tampered with. Your training mission is to find from circulation all issued coins for your birth year. Can you do it? Can you earn the rank of SAM? There are two levels of difficulty for your training. You will be rewarded based on the completeness of your training mission.**

**Identify the coins released into circulation and include coin information including mintages, coin information, design information etc. (please, do not cut & paste) and choose the level:**

- 1) SAM: Find an example of every circulated coin from each United States mint for your year.**
- 2) SAM with honors: Find an example of every circulated coin from each United States mint for your year & present them in a nice display, holders, and artwork. The more you do & present, the better.**

**? Do you know how many coins you need to collect? Hint: use the Gemme Red Book "A Guide Book of U.S. Coins" or internet. You can also get support from your officially deputized SAM advisor at [gluemark@gmail.com](mailto:gluemark@gmail.com).**

**To help you with your training, I have included some supplies. A follow-up meeting may be scheduled before the end of training on September 13, 2024. Upon completing your training, you will become a full-fledged SAM.**

**Good Luck SAM(iT) Agent 2024!**

**SAM Commanding officer,**

Agent Cold Cash

Bonus: What else can you find in circulation? Add it to your display.

**P.S. This Message will NOT self destruct in 10 seconds!**
