Happy new year, everyone!

This newsletter will be short and sweet, due to the fact that your Editor is in the midst of a COVID-19 infection, one hitting a little harder than my two previous infections.

Also, at last check, co-President Mike Simpson is still in the hospital, but seems to be improving.

We had a very successful holiday party last month, with lots of food consumed and some good-ole coin camaraderie.

At this month's meeting, the offices of Secretary and Vice President are up for reelection. Our two incumbents are willing to run again, but floor nominations can also be taken at the meeting.

Bob Moffatt offers the program, "A Few of My Favorite Things II" which I am told will *not* be set to music! They YNs are having "A Traditional YN Meeting."
