Hi all,

This month marks the end of another club year. It seems hard to believe, but summer is upon us. Of course, the year was "shortened" quite a bit with two meetings in a row cancelled due to snow this past winter. Let's hope that never happens again.

But it was a great year. More great presentations (like last month's talk), more great coins, and more great fellowship. And we continue to grow, with a constant influx of new members, and new ideas. This is a healthy club!

At this month's meeting, we will reprise what has become our traditional Hot Dog Feast, prepared by Mike, along with all the trimmings. It should be a great time, so be there, and be hungry!

We will also be recognizing some members and their contribution to the club both this year, and over the years. Running the club is a lot of hard work, and it is a time that we can show appreciation to those who make all of this possible.

See you on the 14th!

- Mike and John
