Hi all,

After a good kick-off meeting for the new season last month, we are finally into autumn. Now into October, the local coin shows are in high gear. We hope you are able to find coins from your want list!

A reminder for this month – we will be finalizing the design for our Elongate (elongated coins will be made for our 70th Anniversary. Please bring your designs with you to the meeting. We will be choosing the design afterwards, and the entries will be anonymous.

One final thing... The NH Coin Expo is next month. On that topic, because the show in Manchester in November coincides with our regular meeting night, we are going to move our November meeting out a week. Mark your calendars, but we will issue a bold reminder next month. Plenty of time for advance notice.

See you on the 9th!
- Mike and John

Maria Matys wins ANA's National Coin Week "Exposition Design a Coin" competition!

Our own Maria Matys has won a national YN competition sponsored by the ANA for National Coin Week. From the ANA website:

The Young Nummatist activity for National Coin Week received a great response. YN's were tasked with choosing a World Exposition from the past and designing a coin incorporating the theme of the exposition. The submissions were divided into two categories. [12 and under, 13 & above]

Maria won the 13 and older competition, with her design for the 1907 Jamestown Exposition coin, pictured at right.

Congratulations to Maria, who won an 1892 Columbian half as her prize!
