Hi all,

Summer is waning and we are back for a new season of coin club. It's that time for us to bring some of the coins and currency that we found over the summer. And this fits in nicely with our program this month. Our own Vice President, Jim Turner, will share some of his highlights from his trip to the ANA Convention in Rosemont (Chicago) this past month. I know he found a couple of pieces for his collection. Some of you probably found some treasures as well. Jim and Bob Moffatt took a different approach to attending the show, so it will be interesting to hear all about it!

The Auburn show resumed in August, but is now on hiatus until November, but the Nashua and Devens Sunday shows appear this month, along with the monthly Blackstone Valley 3rd Wednesday show, so there should be plenty of events for everyone.

A head's up for October, however. The New Hampshire Expo is October 14-15, so that will mean our October meeting will be rescheduled to the 3rd Friday, October 21st. We do this because it is too difficult for folks to make it to Auburn for our meeting, racing home. So we will delay a week next month.

The YNs return this month, their program being, "I know what I did next summer!" We look forward to the YNs returning to our meetings after the long COVID pause.

We hope to see many of you on the 9th!

- John and Mike
