YN Coordinator: Mark Matys

Newsletter Editor: Maria Matys

Happy New Year! 🎉

2026 will be a strange year, this will be our first without the penny being released for circulation, removing a denomination that been a staple of our coinage for almost 170 years. That's not the only change—as 2026 is the 250<sup>th</sup> anniversary of the United States of America, the dime will be released with its first new design in 80 years, and the quarter will feature five new designs. The Mayflower Compact is the first design and has already been released!

Coming up this month will be our very own Fred Libertore as our speaker with a presentation about Mexican coins from 1912-13. Also, our YNs will continue their search for cents from '82.

Last month we had our annual holiday party, with a delicious meal of pasta thanks to co-president and chef John Frost! Thanks, John! And thanks to everyone who helped out or brought something to the potluck! In December, we also had a successful raffle with premium prizes and an extended show and tell where we got to see how distinct each person's collection can be from another's.

For more raffles, show and tell and an all-around good time, this Friday, you know where to be!

-Maria
