

February 2014 YN eLetter

Hello YNs 🧡

Welcome to your Worcester County Numismatic Society (WCNS) Youth Club February E-Mail. We will be meeting at 6:15 p.m. on Friday February 14, 2014.

Let me know if you are coming to this Coin Club meeting!

We are meeting on Valentine's Day! Who will be attending on this semi-holiday? I should have had last month's topic for Valentine's Day: 100 reasons to love money! We had a good turn out with 10 YNs and 4 adults.

Homework: Can you find and bring in five (5) or more cents (pennies) dated 1982?

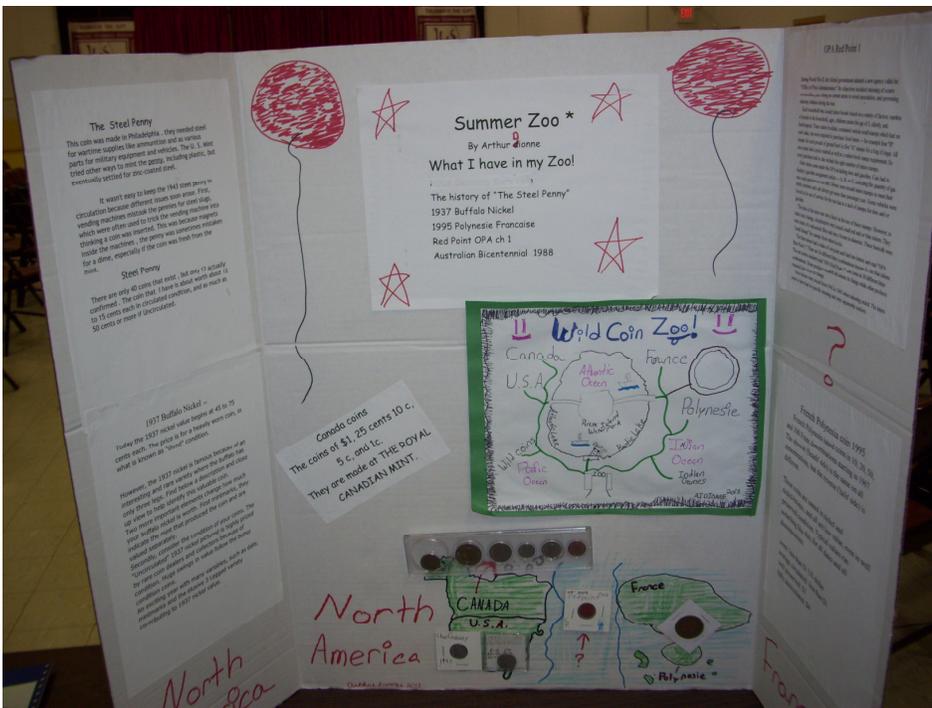

This Friday we are going back to 1982! How many of you remember that year? I hope we can "Find a Cent" from that year.

We will have Show and Tell. Remember for show and tell, bring in ONE coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or forget to bring something.

This weeks' link of numismatic interest is "About Coins" at the web site http://coins.about.com/od/uscoins/f/copper_to_zinc.htm There you will find some information about the 1982 Cent. Also, you can sign up for coin related emails that will help you to be updated on coin news! However, beware of the links and ads, this site is riddled with them. I have been receiving emails from About Coins for years and find it informative.

Always beware on the computer before signing up for any information, emails, or websites. Remember to have your parents help you navigate through web sites, as many have links that will direct you away from this site if clicked.
