

February 2017 YN eLetter

Hi There, Young Numismatists (YNs):

🏈 Go Patriots!!! 🏈

Welcome to your Worcester County Numismatic Society (WCNS) Young Numismatists February 2017 E-Letter. We will have our next meeting at 6:15 p.m. on **Friday February 10, 2017**. We had 5 YNs and 4 guests at January's meeting.

Let me know who is going!!! (Please)

At our last exciting meeting, we learned a new version of the A, B, Cs. Do you remember? We examined the different type of collectible numismatics as Art, Bullion or Coin...or A & B, A & C, B & C or all three. Over the years, each has influenced the other. Now there are awards for Coin of Year and many variations. We all looked at different versions of each A, B, Cs and identified them accordingly. There were a few trick A,B,Cs! Remember, you can call almost anything human made art if you want!

Also, the WCNS presentation was a Magic Show by the Great Magician Steve Charette.

♥**"Penny Lover"**♥ is our romantic theme for February! The Lincoln Cent will be celebrated! What do you know about the Cent? There are many interesting facts and history behind the Lincoln cent. Do you own any Lincoln Cents? (I hope so! I think we all have some Lincoln cents in our collection!)

This month's link of Numismatic interest is "Lincoln Cents Information" from Coin News: <http://www.coinnews.net/cents/>. When visiting websites, always be careful before clicking on links or signing up for any information, emails, or websites!

For January's Show and Tell:

Maria: 1941 P Mercury Dime: W is the engraver's initial;

Emily: Mexican Coin \$100 face;

Adian: 1944 Mercury Dime carved into a pendant;

AJ: 1960 One Franc from France;

Remember for Show and Tell, bring in ONE coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or just plain old forget.
