

June 2015 YN eLetter

Good Day Young Numismatists (YNs) : 🤖

Welcome to your Worcester County Numismatic Society (WCNS) Youth Numismatics June E-Letter. We will be meeting at 6:15 p.m. on Friday June 12, 2015. We had 3 YNs and 5 adults at last month's meeting. The Adults win! The Adults Win! Do you believe in miracles???

PLEASE let me know if you are attending this summer's Adventure meeting, "**We are not Alone!**" 🤖 (if you already told me you are will be there, you do not need to do it again.)

We have a lot to do at this meeting! Including the signing of two Thank-You Notes! (Please bring your signing hand with you!); The WCNS Elongated Cent Contest for the 70th anniversary! The **winning design** will be use for a REAL elongated cent!; And our summer adventure: "**We are not Alone!**" 🤖

During our May meeting we had "**In Search of "The Buffalo Nickel"**" All YNs had fun searching Buffalo/Indian Head Nickels and left with a **buffalo nickel folder** and between **17 and 21 different dated and mint marked buffalo nickels**. We give a big THANK YOU to **Duncan**, a WCNS member, who shared his knowledge of the Nickel. It is amazing how quickly the date "disappeared" as the coin circulated!

Did anyone work on the coin design for the ANA Contest???? What was your topic? Bring it in if you did it!

This Friday, our summer adventure is "**We are not alone!**" 🤖. Are you ready for this summer's adventure? This month's link of numismatic interest is "the Penny Collector" at <http://www.pennycollector.com/AreaList.aspx>. The link gives you the current location of "Penny Machines" in the United States and images of Elongated Cents. This site might help you design an elongated cent for WCNS club! (When visiting websites, always be careful before clicking on links or signing up for any information, emails, or websites!)

During our May meeting we had Show & Tell:

Adrik 😊 brought in a set of wooden nickels, some had a buffalo like the buffalo nickel and some had an Indian head;

AJ 😊 brought in a cancelled check from 1903 drawn on the Winchester National Bank from Winchester NH that passed through Springfield and Boston. It was crimped and stamped;

Trevor 😊 brought in a coffee can full of copper pennies, the oldest is an Indian head penny;

Nancy 😊 brought in a 20 Pfennig German coin made into a salt spoon.

Awesome! Great diversity! Remember for Show and Tell, bring in ONE coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or forget to bring something.

Always remember to bring your Short Snorter to our meetings. You never know when you will be asked to present your Short Snorters to receive a prize.

Do you have any ideas for upcoming meetings? Let me know. Here is a list of potential upcoming meeting topics:

June: We are not alone! 🤖

September: "Summer Adventure Prizes! (For those who complete the journey)"

We meet at St. Josephs Parish Center 68 Central Street Auburn. Take a look at the WCNS web site at <http://worcestercoinclub.org/> for directions, pictures and link to our previous e-letters.

Let me know if you have any questions or will not be able to attend. Please contact me anytime you have questions or want to discuss coins etc...

See you on Friday,

Mark
