

June 2016 YN eLetter

Hi All,

There is **NO** June Meeting!

The Summer Adventure has started! *Wait a minute, we are still in spring!* I know, but we started early so we can have more time to have fun with the adventure! If you missed the last meeting, the Summer Adventure is posted on the Worcester County Numismatic Society's (WCNS) website. The handout is available to view and print out! Go to the YN (Young Numismatists) tab and the 2016 Summer Adventure is located there! <http://www.worcestercoinclub.org/YN.shtml>!

*****Please let me know if you are doing the adventure, I will get the supplies to you!*****

SUMMER MEETING: Do we want to meet this summer? Let me know and I will schedule a date to meet at the Southbridge Savings Bank Community Room - located in Sturbridge, MA. We can have fun going over the requirements of the Adventure!

As always, you can contact me any time you want (via email). Let me know if you need help with the Adventure.

Mark.
