

March 2014 YN eLetter

Hello YNs 😊

Welcome to your Worcester County Numismatic Society (WCNS) Youth Club March E-Mail. We will be meeting at 6:15 p.m. on Friday March 14, 2014.

FIELD TRIP: I would like to schedule a field trip for our MAY meeting. We will get a tour of a bank! I have a few contacts who said we can set this up. Two possible locations: Park Ave, Worcester or Route 9 Shrewsbury (I have to talk to the banks). **WHAT I NEED TO KNOW:** Can your adult bring you? It might start a little early (bank's hours, up to the bank), is an earlier time O.K.? After the tour, we will go back to the WCNS meeting to help out with the Auction and snacks etc.

Last month we a great turnout considering there was a snow storm that ended within 12 hours of the meeting. 11 YNs and 5 adults participated.

Because of the snow storm, the trip going back to 1982 was postponed to the Future! We are going back to 1982 in the Future, this Friday! Last month we did have fun sorting pennies from 1982. We went through ~50 dollars worth 1982 pennies. We found close to 400 Denver minted cents and the rest (~4700) were from Philadelphia. I still have more pennies to sort! 🍷

Bring in your **Homework:** Can you find and bring in five (5) or more cents (pennies) dated 1982?

We will have Show and Tell. Remember for show and tell, bring in **ONE** coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or forget to bring something.

This weeks' link of numismatic interest is "[A Guide to 1982 Lincoln Cent Identification](http://www.cointalk.com/threads/a-guide-to-1982-lincoln-cent-identification.55647/)" at the web site "Coin Talk": <http://www.cointalk.com/threads/a-guide-to-1982-lincoln-cent-identification.55647/> There you will find some information about the 1982 Cent and part of the 1982 Project we will be completing at this meetin.

Always beware on the computer before signing up for any information, emails, or websites. Remember to have your parents help you navigate through web sites, as many have links that will direct you away from this site if clicked.
