

September 2016 YN eLetter

Happy New Year Young Numismatists (YNs):

Welcome to your Worcester County Numismatic Society (WCNS) Young Numismatists September E-Letter. We will have our next meeting at 6:15 p.m. on Friday September 9, 2016. We had 4 YNs and 3 adults at May's meeting (including 2 Doctors!). A Special Thank-You to **Adam** and **John F.** for your help and support!!!!

The DOCTOR contacted me via the "Space-time telegraph" since the Hypercube did not work! He told me he neutralized the "Weeping Angle" coin! So it is now safe for him to time travel! The DOCTOR told me he should arrive on time to study your "Time Capsules" so he can go back in time and find you! Hopefully, you will have all the important information in you Time Capsules: Presidential Coins, ID Coins in circulation during the 1850s – compare to coins of today, and ID historical events in 1850s. (Please visit web site for full list).

Please attend even if you did not do a time capsule. You will support the others, see their awesome time capsules and maybe you will get a free ride in the Tardis!!!! As always, Please let me know if you are attending!

This Friday, we will finish our Summer Adventure! "Time Capsules".

This week's link of numismatic interest is still "CoinSite": <http://coinsite.com/history-of-us-coins-menu/>. There you will find cool histories of all United States Coins! (When visiting websites, always be careful before clicking on links or signing up for any information, emails, or websites!) <This site has a lot of advertising...beware!>

The Two Doctors and daughter standing outside of the TARDIS:

Answer for May's email (love tokens, remember them?): The letters were "A" and "D". Great job Aidan!

For May's Numismatic Show and Tell:

Thank you Aidan for bringing in a coin!

Aidan : A 2008-dollar coin, year of his birth, found in his penny jar!

There will be NO Show and Tell this month. The Time Capsules are replacing the Show and Tell!
