

September 2011 YN eLetter

Hello Secret Agent YNs,

Welcome to a new coin club year. This is your Worcester County Numismatic Society (WCNS) Youth Club September E-Mail.

We will be meeting in a NEW Location at 6:45 p.m. on Friday September 9, 2011. Use your Secret Agent Skills and find our new room.

At this month's meeting, we will have the Presentation of our Summer Mission. I think Agent M might make a special appearance.

In June, for Show and Tell, Adrik had a cent with a heart shaped hole in it, Maria brought in a giant buffalo nickel key chain and a silver 1942 S nickel (great job bringing in an item related to the topic), Adam brought in a 1965 Canadian cent, AJ brought in a group of 1982 pennies, and Chris brought in a toy and a 2009 coin from Turkey he found in a coin machine. This month's Show and Tell will be the results of our secret missions.

In June, John Frost showed a Five Cent collection starting with the half dime. It was awesome. Thanks John.

This week's link of numismatic interest is the U.S. Mint: <http://www.usmint.gov/> The U.S. Mint web site has the latest Mint Set for sale (pictured below) for \$31.95. We worked on Secret Missions to find Circulated Mint Sets. How much did your Circulated sets cost?

Have your parents help you on the computer and before signing up for any information, emails, or websites.

This past May we (YNs) received a \$25 donation from Steve Reardon..THANK-You. Thank-you WCNS members for all the donations, especially for the Nickels this past June.

Now that we are starting a new year, think of things you are interested in for our club and we will vote on it.

Here is the list of up coming meeting topics:

Sept: Presentation of our Summer Missions

October: Short Snorter...What is it?

November: Hawaii

December: Name That Coin

New Location: St. Josephs Parish Center 68 Central Street Auburn.
